B Button (Fire)

START (Pause)

SELECT

(Turbo Boost and police siren)

You may choose between automatic and manual gear shifting. Additionally, there is a password entry feature that allows a player to continue from the last cleared stage.

SONIC 5 ADVENTURE

Swing from vines, launch new attacks, survive deadly traps and summon Tails to airlift Sonic out of danger. Discover hidden rooms and passageways in the megasized Zones. Transform into Super Sonic and experience the ultimate in speed and ultra-sonic power. Save you progress using the new Game Save Feature.
